To Whom It May Concern;

This is to certify that 2-1 Turf, LLC is a Texas corporation, Texas Department of Agriculture Nursery License Certificate #0526554, conducting the business of growing and selling to consumers landscaping turf including but not limited to Tifton 419 Turfgrass.

The Turfgrass contains at least 90% Tifton419 Bermuda and is free of noxious weeds, stones and other materials that hinder the development or maintenance of the Turfgrass.

The Turfgrass becomes dormant during the cold season but is capable of renewing growth following the dormancy.

The Turfgrass is cut to a height of approximately two inches or less and is procured from areas containing sandy clay topsoil.

Each Turfgrass piece shall have a density capable of being handled without breaking, being strong enough to support its own weight when lifted by the ends, and is cut with an approved sod cutter to an average thickness of  $\frac{3}{4}$ " within a tolerance of  $\pm\frac{1}{4}$ ".

The Turfgrass has been certified by the United States Department of Agriculture-Aphis Plant Protection & Quarantine Programs to be treated and free of Fire Ants.
